Advertising Strategies

The key that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what query or drawback your e book answers and the benefits your book can provide. Then make sure you use that sentence in each piece of sales and

promotional material, and every time anybody asks you about your ebook.

An effective approach for figuring out a worth is to ship out a survey to your current customers. If these prospects have already bought an book from you, ask for their opinion in terms of price. Do that by making a sales page for the new ebook, however do not embrace a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with different costs on every page. Be certain that your gross sales copy is exactly the same on every web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum value is.
