Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is precisely the similar on each web

page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.
