As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your gross sales copy is exactly the same on each page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.
