If these customers have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the brand new guide, however don't embrace a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with completely different prices on every page. Be sure that your sales copy is exactly the same on every

page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum worth is.

In the end, in the event you've written a guide that solves a downside or presents a new approach, your e book will bring in both site visitors and profits.
