page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with different costs on each page. Ensure your sales copy is exactly the identical on every web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum value is.

Finally, if you happen to've written a ebook that solves a downside or presents a new approach, your ebook will bring in each site visitors and profits.
