One other technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Be certain your gross sales copy is precisely the

identical on each page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum price is.

Finally, if you happen to've written a e book that solves a drawback or presents a brand new method, your ebook will bring in both site visitors and profits.
