As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Be certain that your gross sales copy is precisely the same on each

page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum price is.

Finally, if you happen to've written a e-book that solves a drawback or presents a brand new technique, your e book will usher in both visitors and profits.
