An efficient approach for figuring out a value is to send out a survey to your current customers. If these prospects have already bought a book from you, ask for their opinion by way of price. Do that by creating a gross sales web page for the new e-book, however do not include a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with different prices on each page. Make sure that your gross sales copy is precisely the identical on

every page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum worth is.

In the end, if you happen to've written a ebook that solves a drawback or presents a brand new method, your e book will herald both site visitors and profits.
