Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your gross sales copy is precisely the same

on every page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum worth is.

Ultimately, in the event you've written a e book that solves a downside or presents a new approach, your e book will usher in both visitors and profits.
