price. Do that by creating a sales web page for the brand new book, but don't embrace a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the same on each page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.

In the end, when you've written a book that solves a drawback or presents a brand new approach, your book will herald both site visitors and profits.
