An effective approach for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion by way of price. Do this by making a sales web page for the brand new book, but don't embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with completely different prices on each page. Make sure your sales copy is exactly the similar on each web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum value is.
