Advertising Strategies

The important thing that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. An effective method for determining a value is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new ebook, however don't embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the same on each web

page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum value is.

Finally, in the event you've written a book that solves a downside or presents a new technique, your e book will usher in both traffic and profits.
