Do that by creating a gross sales page for the brand new e book, but do not include a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Be certain your gross sales copy is exactly the similar on

every page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum value is.
