the advantages your e book can provide. Then be sure to use that sentence in every piece of gross sales and promotional materials, and every time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are a number of other strategies that can enable you to promote more books.

An effective method for determining a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new guide, however do not embrace a worth on that page. Be sure that your sales copy is precisely the identical on each web page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.
