Do that by making a gross sales page for the brand new e-book, however do not include a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with different costs on each page. Be sure your sales copy is precisely the similar on each page, and

includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in case you've written a ebook that solves a problem or presents a brand new approach, your ebook will bring in both traffic and profits.
