An efficient technique for figuring out a value is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the brand new guide, however do not embrace a worth on that page. Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make sure your sales copy is strictly the similar on each web page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.

Finally, if you've written a e-book that solves a problem or presents a brand new approach, your guide will usher in each traffic and profits.
