Do that by making a gross sales web page for the new book, however do not embrace a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Ensure that your gross sales copy is exactly the same on

every web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum price is.

In the end, in case you've written a e-book that solves a drawback or presents a new technique, your guide will herald both site visitors and profits.
