However, if your ebook comprises invaluable ? and extra importantly NEW data, references, or techniques ? then you should purpose to cost it on the high end.

After you determine your purpose, you should figure out what your audience's want is for your ebook. For instance, does your ebook solve a specific downside? sales at a excessive price. In case your e book solves an issue or solutions questions in a brand new and unique way, you should worth your e-book as high as you may go.
