An efficient method for determining a value is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new ebook, but don't embody a value on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different prices on every page. Make sure your gross sales copy is precisely the similar on each page, and

contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

Finally, in the event you've written a book that solves a drawback or presents a brand new technique, your e book will herald both site visitors and profits. So make sure to write that promoting-handle sentence that sums up what problem your guide solves and what the benefits of your 262 book shall be to the customers who purchase it.
