An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do this by creating a sales web page for the brand new e-book, but don't embody a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with different prices on each page. Ensure that your sales copy is exactly the similar on each page, and

contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum value is.

Finally, if you happen to've written a e-book that solves a drawback or presents a new method, your guide will usher in each traffic and profits. So be sure to write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 342 e-book might be to the shoppers who buy it.
