that by making a sales web page for the brand new book, however do not embrace a price on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Make sure that your gross sales copy is strictly the same on each web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e-book that solves a downside or presents a brand new technique, your e-book will herald both traffic and profits.
