Do that by creating a sales page for the brand new guide, however do not embody a price on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on each page. Be sure your sales copy is strictly the same on each page, and

consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum value is.

Ultimately, when you've written a ebook that solves a downside or presents a new approach, your e book will bring in both site visitors and profits.
