An effective approach for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new guide, however do not include a value on that page. As an alternative, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is exactly the similar on each web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a e book that solves a problem or presents a brand new technique, your guide will herald both visitors and profits.
