Do that by making a gross sales web page for the brand new e-book, but do not embrace a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with completely different costs on each page. Be sure that your gross sales copy is exactly the same on each page,

and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum worth is.

In the end, when you've written a book that solves a downside or presents a brand new technique, your e-book will bring in each visitors and profits.
