An efficient approach for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the new guide, however do not include a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the similar on each web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

Ultimately, if you've written a guide that solves a downside or presents a brand new technique, your

book will usher in both site visitors and profits. So be sure to write that selling-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 605 e-book might be to the purchasers who purchase it. And then watch your market come to you!
