An efficient approach for figuring out a worth is to send out a survey to your present customers. If these customers have already bought a book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new ebook, but don't include a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be sure your gross sales copy is exactly the identical on each page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.
