An effective technique for figuring out a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the new e book, but do not embrace a value on that page. page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum worth is.
