An efficient approach for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the brand new e book, but do not embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different costs on each page. Make sure that your sales copy is strictly the identical on every page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum value is.

In the end, for those who've written a e-book that solves a downside or presents a brand new technique, your e book will herald each visitors and profits.
