Do that by making a sales page for the brand new book, however do not embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with totally different prices on every page. Make sure your sales copy is strictly the same on every page, and

contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.
